

A Brilliant Brunch

How to Host A Brilliant Brunch at Your Workplace

A Brilliant Brunch is Aspect's year-round fundraising campaign, designed for workplaces and organisations – like yours – to raise funds, increase understanding, and promote acceptance of autism, all while enjoying a fun team-building activity.

Bring your team together for a meaningful and memorable event. Your "Brunch" can be whatever you want it to be – whether it's a simple morning break with coffee and pastries, a sit-down catered Brunch, or an activity-based fundraiser. This is your chance to showcase your commitment to inclusion while supporting the 1 in 40 Australians on the autism spectrum.

Get creative with your fundraising! Add friendly competition with a bake-off, trivia contest, or raffle. You can also encourage employees to bring their favourite dish from their culture to share. These engaging activities will help bring your colleagues closer together while raising vital funds in support of individuals on the autism spectrum.
